LET THE CHIPS FLY

I hate to miss Eric Lofstrom's presentation on July 14th but as I mentioned at the June meeting, I will not be available on that date. I have had the pleasure of attending several of Eric's presentations and they have been well worth it.

At the July meeting, the final arrangements should be made for the Steam up and I heard there should be tickets and passes for participants.

Remember that the State fair event is the last 6 days of the Oregon State fair, Wednesday August 31st through Labor Day, Monday September 5. The July meeting will have the State Fair signup sheet out again. Please signup if you can and when I am at the August meeting I will do the schedule from all the signup sheets. As I determine how many volunteers we have, I will be able to get the parking passes and entry tickets.

With this many days of turning at the state fair, we divide each day into three 4 hour shifts, 10AM-2PM, 2PM-6PM, and 6PM-10PM. Anyone can sign up for as many shifts for as many days as they wish. When talking to anyone who has done these events, they will tell you how much fun it is and how they get to demonstrate our craft. Any member from a "beginner" to an accomplished "pro" is welcome to turn. Not only are these events a great opportunity for the public to see what we do, but they are great for "beginners" to turn with people who enjoy mentoring any members who wants to take advantage of this learning experience. It is also a time for all involved to share and compare turning techniques they have developed.

Our "bring back" raffle has been a success and will continue for as long as the interest continues. Thanks to all who have participated.

Looking forward to seeing you at our August 11 meeting.

Bob Hutchinson, President WVV

Upcoming Events by Terry Gerros

Jul 14 Demonstrator: Eric Löfström

Topic: Fitted lid box with textured and precision fit lid.

As most know, Eric is no stranger to our club. He has been a frequent demonstrator and has put on many workshops here in Salem. In my opinion, Eric is not only one of the leading woodturners in the US, but also one of THE best demonstrators and educators, bar none.

"As a woodturning artist, demonstrator, passionate teacher and private instructor I am excited about the creative process and exploring the quest for clean forms and "pure" curves. I enjoy turning all styles of pieces-anything from pens, peppermills, fitted-lid boxes, utilitarian bowls and serving utensils, to sculptural one-of-a-kinds!

Embellishing with colors, textures, and sculpting is a fun but sometimes risky way to add my voice to pieces. While most of my pieces are embellished in some way, the main goal is achieving a pleasing form. One of my core passions is to share the journey with others. Teaching and demonstrating woodturning techniques allows me to share what I have learned and fosters a dialogue with others to stir the creative juices!"

A two day workshop will follow the Thursday evening demo, so no sawdust session. The workshop will cover building both the pumpkin box and coffee cup box, that is if there is time. There is the potential for a one day class, if the two day class fills and there is enough interest. Fees for the 2 day and 1 day class are \$200 and \$110.00, respectively.

Aug 11 Demonstrator: Kathleen Duncan - Piercing
Sep 8 Demonstrator: Terry Gerros - Twist work
Oct 13 Demonstrator: Open
Nov 10 Club auction!!!!
Dec 8 Demonstrator: Open

Tip of the month

submitted by Bruce Stangeby

To quickly clean abrasive disks when power sanding, mount a crepe abrasive cleaner near your headstock. When your abrasive disk begins to clog, sand the crepe cleaner block for a second or two and resume sanding. Crepe abrasive blocks can be purchased at any home centre.

Wood Gathering

Sign-up sheets will be available to indicate your availability to help with wood gathering. Anyone who learns of a tree or log that is available to the club should notify Jerry Lelack, (503) 510-1577 or Bob Hutchinson, (503) 508-3279. The intent is to gather wood, process it to usable pieces, store it at the home of Terry Gerros, and then make it available to members. Terry can be reached at (503) 580-5013.
